a greener refill™

the eco-friendly approach to printing

WHAT IS A GREENER REFILL FUNDRAISER?

Recycle or refill your used cartridges or purchase a new remanufactured cartridge with this as easy as 1-2-3 fundraising program benefiting your organization.

There are three levels of fundraising with little effort and high return! Choose one or all methods. The choice is yours.

- 1 - **Recycle** | Organization receives \$1 for every empty usable inkjet and toner cartridge deposited in the recycling collection boxes.
- 2 - **Refill** | Organization receives \$2 for every inkjet cartridge refill ordered.
- 3 - **Remanufactured** | Organization receives \$3 for every remanufactured toner cartridge and \$1 for every remanufactured ink cartridge ordered.

To learn more about A Greener Refill, quality of our remanufactured cartridges or how to reduce your printing footprint, please visit our website at www.agreenerrefill.com

WHY A GREENER REFILL FUNDRAISER?

We send your organization a monthly check for the funds you've earned! You help your organization raise money while obtaining a quality product for less money, and to top it off, you're helping save the planet one cartridge at a time!
